SantaCarla: This one I really like I can easily see it being used in a logotype.. Further useless Oakland Hills 1991: Not my sort of type but there are surely enough out there who will like it.. You should correct the naming data Koobz: Nicely made Don't know what it could be used for.. Just clean it up and you have a potential commercial one Add the accents and put the alternates in a more logical place or make an alternates.. Captain Underpants is the superhero born from George and Harold's homemade comic books, who then sort of accidentally on purpose became real in the form of Benjamin Krupp, when they hypnotize the ill-tempered principal, who soon after gains superpowers by drinking alien juices.. Reminds me of the Wedgie Captain Underpants Free Online Book. On your site it looks better than this pict but still that w Quickrite: Also not available for download.. Have you considered to make the lower case letters a flame fill for the capitals?Again, the naming.. Clean it up and people will use it No need to mumble about the naming, right?Decco Disco: Not available for download.. The franchise mainly focuses on the adventures Captain Underpants, George, and Harold get into.
